Projects

MotoWeather I Repo: <https://bit.ly/mw-git> **I Link:** bit.ly/motow-app

- A full stack web application to help motorcycle riders adapt to their trips.
- Researched technologies to be used for the map component. Wrote the map component. General refactoring of code and git conflict resolution.
- Node.js, Express, Mongo/Mongoose, React, react-map-gl, deck.gl, Mapbox APIs, OpenWeather API.

Brewery Browser I Repo: <https://bit.ly/bb-git> **I Link:** <https://bit.ly/bb-webapp>

- A simple, single-page web application designed to make finding a brewery or alehouse, in a target location an easy experience.
- Researched APIs and mapping platforms. Wrote front-end JavaScript, jQuery, and API endpoint requests.
- Vanilla HTML/CSS, JavaScript, jQuery, OpenBreweryDB, Mapbox CDN, Firebase.

NYT Scraper I Repo: <https://bit.ly/nytsc-git> **I Link:** <https://bit.ly/nytsr-app>

- A scraper for The New York Times website
- Implemented API routes, database models, database manipulation, and Cheerio to pull elements from The New York Times
- Utilizes MongoDB/Mongoose, Express, React, Axios, Cheerio, Node.js, and Bootstrap

Experience

Small Gas Engines Mechanic

01/2020 – 09/2022

Hassett Hardware

Half Moon Bay, CA

- Maintenance and repair of small gas engines, sales and inventory data entry, maintenance of inventory data, inbound and outbound b2b sales representation.
- Developed a common maintenance routine to decrease turnaround time, and increase repair shop revenue by 90%

Shipping and Receiving Associate

04/2018 – 12/2020

Hassett Hardware

Half Moon Bay, CA

- Planned daily deployment for the most efficient movement of stock items through the warehouse, receiving and shipping of stock, data entry and inventory maintenance, customer service, b2b sales, and managing the automotive department.
- Provided consultation and oversaw the deployment of updated and modernized inventory data entry tools. Increased warehouse space by roughly 25% by consolidating existing fixtures. Streamlined special order fulfillment process and stock movement to sales floor resulting in higher customer satisfaction.

Barista

07/2017 – 04/2018

Peet's Coffee

Half Moon Bay, CA

- Crafted menu and custom drinks with a strict set of standards, coached trainees in making drinks, performed stock management/inventory audits, and demonstrated excellent customer service and sales of merchandise.

Line Cook, Delivery Driver, Dish Washer, Server

10/2016 – 07/2017

Kickin Chicken

Santa Cruz, CA

- Prepped ingredients and garnishes for dishes, ensured delivery of food on time by efficient route management, and performed server duties during catering and open floor dining events. Cleaned workstations, dishes, and cookware after closing for the night.

Junior Building Maintenance Worker

03/2014 – 09/2015

UC Santa Cruz, East Zone Maintenance Crew

Santa Cruz, CA

- Overhauled student dorms during the summer and responded to maintenance tickets during the school year.
- Ticket system management, budget/operations planning, tool maintenance, material and tool audits, fire safety inspections, light carpentry, plumbing, and electrical work.
